Mildura South Primary School is asking for parent feedback and input on potential DROP and STRIDE / STRIDE and RIDE zones to be installed for use in term 2, 2017.

What are they?

DROP and STRIDE zones are a place away from the school where parents can safely drop their children. Children will then walk or ride a short distance to school together with other students also using the zone.

STRIDE and RIDE zones are similar and would involve students walking/riding together to a safe pick up point at the end of the school day.

The zones will consist of an unsupervised signed, drop off and pick up area to be used at specific times of the day and a clear walking/riding route to the school.

Note: We do not encourage unsupervised riding for children under 10 years of age.

Proposed zone times
Morning: 8.15AM – 8.45AM
Afternoon: 3.30PM – 3.45PM

Why are we trialling these zones?
• Improve student safety by reducing traffic congestion in school zones.
• Promote increased physical activity for children.

Please help us develop this initiative by completing the survey on the back of this page and returning it to the school office by Monday 13th February.

Any and all feedback welcome.
