

# OUTSIDE SCHOOL HOURS CARE

The following programs are offered that have been established through the initiative and continuing support of the School Council to assist parents in the community with 60 places available each day.

Before School Care

Vacation Care

After School Care

Curriculum Day

The aim of the program is to provide a safe, warm, caring atmosphere for children in a stimulating environment.

The service follows the National Quality Standard and is assessed and rated by a Regulatory Authority on a regular basis. The service also provides an extensive program of creative and recreational experiences for the children in accordance with National Quality Area 1.

**Before School Care** operates from 6.45am to 8.45am each weekday during the school term. A healthy, varied breakfast is provided each morning as part of the service. The cost of this program is \*\$16.00 per child per session.

**After School Care** operates from 3.30pm to 6.00pm each weekday during the school term. On the last day of each term the program will start at 2.30pm and is charged at a higher rate than other days. A nutritious snack is provided after school as part of the service. The cost of this program is \*\$22.00 per child per session (last day of term \*\$25.00)

**Pupil Free Days/Curriculum Days** operates from 8.00am to 6.00pm on the scheduled days throughout the school year. The cost of this program is \*\$50 per child per session.

**Vacation Care** operates from 8.00am to 6.00pm during the term break for 10 weeks of the year, closing for one week over the Christmas/New Year period. The cost of this program is \*\$50 per child per session plus any additional excursion costs.

\*The service is funded by the Australian Government to provide Child Care Subsidy to families to reduce the cost of the fee. All families are to complete an assessment with Centrelink to determine the percentage of the Child Care Subsidy.

The school council employs both male and female educators who are trained in Children's Services or actively working towards a qualification. Educators are also trained in First Aid, CPR, Asthma and Anaphylaxis.
