Dear Parent/Guardian,

Mildura South Primary School is looking forward to another great year of teaching and learning and would like to advise you of the school's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to update our texts and readers to reflect current interests and passions of our students, supply materials to develop our mathematical knowledge and problem-solving skills, purchase materials to support the creativity and exploration in our Arts and Science programs and ensure that all our students have access to equipment to develop into active and healthy children.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Yours sincerely,

Mrs. Marie-Therese Milani.
School Principal.

Mrs. Concetta Morgan.
School Council President.

Refunds

Our school will consider requests for partial or full refunds of payments made by parents on a case-by-case basis, taking into account the individual circumstances. Generally, we will not be able to refund payments made for items purchased or costs that have been already paid where those funds have already been transferred to a third party. For example, camps costs where a child becomes unwell and cannot attend, costs cannot be refunded to the school by a third party. Where possible, the school will make this clear to parents at the time of payment.
