Principal's News

I would like to take this opportunity to introduce myself to the Mildura South Primary School community. My name is Simon Trembath and I have been given the immense privilege of being appointed as the new substantive Principal of our school community.

I have worked in education in the Sunraysia region for over 20 years, spending a large part of my career at Cardross Primary School. I am a passionate educator and love nothing more than seeing students, staff and communities grow and succeed.

A little bit about me, I have been involved with soccer my whole life, and still do my best to run around in the Over 35s competition for Mildura City SC. I am a long suffering Carlton Blues supporter, but am hopeful that we will win a premiership, sooner rather than later. In the warmer months, I can usually be found on the golf courses around Mildura.

I would like to extend my heartfelt thanks to the entire Mildura South community for welcoming me so warmly during my first week as Principal. I am doing my best to learn names as quickly as possible, but as I am sure you can appreciate, with over 500 students and staff, it may take me a little while.

As I mentioned at assembly on Monday, please come up and introduce yourself to me, if you see me out and about. I am always out the front at the beginning and end of the day (just look for the bright pink vest).

I am extraordinarily excited to work with the entire Mildura South community to continue to make our school an amazing place for all of our students and staff. I can honestly say that my first week as a *Southie*, has been amazing!

Thank you!
